MARTIN ARONCHICK

"I am running because I love North Salem and want to protect its beauty and water from overdevelopment while keeping our taxes down and our property values up. Volunteering with so many different people, I have come to know and understand what is important to those who have chosen to raise a family here or just to enjoy the peace and quiet of living here. I also understand the challenges that face seniors who are struggling to afford to stay here and young families starting off."

**Martin's opponent continues to advocate false solutions with his goal of
TOWNWIDE GROWTH - TOWNWIDE COMMERCE**

This will lead to

**more traffic and congestion, more costs for services,
more strain on our volunteers and higher taxes**

Martin listens to YOU

With an attorney's eye and vigilance and a father's and husband's love and caring,
Martin understands your concerns:

- to protect the town from overdevelopment
- to keep taxes down and your property values up
- to keep your air and water clean
- to protect your health and safety
- to preserve the town's rural and community character for everyone

Martin's agenda is YOUR agenda
